

COLLEGE & CAREER READINESS

College and Career Readiness @ The Einstein School

Info for 9th-11th grade students

What is CCR?

CCR stands for College and Career Readiness. At the Einstein School we offer a team of experienced educators to assist students and parents with all things post-graduation – including all college, career, and life options you may be considering.

How can CCR help me?

We offer many services to our students, including:

- Exploring college, career, and life options after High School
 - Including 2-year and 4-year colleges and universities, community colleges, Gap Year programs, Trade Schools, military options, career options, and more!
 - Our goal is to find your BEST FIT.
- Academic advising to help reach your unique post-secondary goals
- Support with college lists and applications
- Help navigating the standardized testing process (ACT, SAT, etc)
- Information on graduation, “college knowledge”, career options, and navigating life after high school
- Answer questions or meet individually over email, Zoom, or in person when available
- Access to Naviance

What is Naviance?

Naviance (accessible at <https://student.naviance.com/einsteinschool>) is an online college and career readiness platform with tools to help you set goals, explore careers and colleges, and map out your post-graduation plans. You can always explore Naviance on your own, but we also send out weekly Naviance Exploration Lessons in the newsletter to guide you to some of the best features.
