College and Career Readiness @ The Einstein School

Info for 9th-11th grade students

What is CCR?

CCR stands for **College and Career Readiness**. At the Einstein School we offer a team of experienced educators to assist students and parents with all things post-graduation – including all college, career, and life options you may be considering.

How can CCR help me?

We offer many services to our students, including:

- Exploring college, career, and life options after High School
 - Including 2-year and 4-year colleges and universities, community colleges, gap year programs, trade schools, military options, career options, and more!
 - Our goal is to find your BEST FIT.
- Academic advising to help reach your unique post-secondary goals
- Support with college lists and applications
- Help navigating the standardized testing process (ACT, SAT, etc)
- Information on graduation, “college knowledge”, career options, and navigating life after high school
- Answer questions or meet individually over email, Zoom, or in person when available
- Access to Naviance

What is Naviance?

Naviance (accessible at <https://student.naviance.com/einsteinschool>) is an online college and career readiness platform with tools to help you set goals, explore careers and colleges, and map out your post-graduation plans.

How do I log in to Naviance?

Go to <https://student.naviance.com/einsteinschool>

Existing students click “Student”, enter your Einstein email and password, or click “Forgot your password” and instructions are sent to your school email.
