

# Einstein School Carpool Map

## 2025 - 2026

As we prepare for the new school year, please help us keep our carpool process safe, respectful, and efficient.

- Carpool lanes open at 3:40 PM. Please do not arrive early—cars are not permitted to line up in the fire lane before this time.
- Student dismissal is at 3:45 PM, when 7th period classes end.
- For a quicker pickup experience, families are encouraged to arrive between 4:00–4:15 PM, when the carpool line is shortest.
- Drive slowly and stay alert. We have new student drivers on campus throughout the year, and your caution keeps everyone safe.
- Put phones away while in line. Your full attention matters.
- Follow the directions of staff outside—they're there to help guide traffic and ensure student safety.
- Pull forward when space becomes available to keep the line moving smoothly.
- Do not park in the adjacent parking garage or private lots. It creates safety issues as students attempt to walk across active carpool lanes.
- And most importantly—be patient and kind to staff, students, and fellow families. We're all in this together!

Thank you for helping us start and end each day safely at Einstein!
