

Einstein Bucks are available for purchase! These can be used on campus for lunch, snacks, and spirit wear, reducing the need for cash.

TERMS AND CONDITIONS

Description

The Einstein Bucks program is an optional electronic method by which parents can establish and reload a student account that allows the student to purchase lunch, snacks, spirit store items, or other items sold on campus (such as Pi decals or bake sale items). This account reduces the need for students to bring cash to school. Parents can reload student accounts through Venmo, check, or other payments through the Einstein billing office.

Expiration

Balances on Einstein Bucks accounts will roll over from the Fall to the Spring semester, but unless enrolled in an Einstein Summer Program, Einstein Bucks expire at the end of the Spring semester and will not be refunded or credited. The balances of students enrolled in summer programs remain available until the end of the summer session.

Einstein Bucks are non-transferable and are not subject to refund or credit for any reason.
