

Attention Einstein Class of 2027!

We are thrilled to announce a special opportunity for the upcoming school year. As a senior, you have the unique chance to reserve and decorate a personalized parking space!

- You get a parking spot reserved for YOU all year (and the paint)!
- Decorate your spot with an Einstein-approved design (think Einstein Core Values).
- If you have trouble coming up with a design, Aaron can help!
- All of this for only \$450!

Only 10 spots are available, so act quickly!

Once you reserve a spot,

1. Submit your design for approval.
2. Once your design has been approved and payment has been received, we will send you relevant details.
3. Come pick up your paint and get to decorating! Painting must be done on weekends or after 6 p.m. on weekdays.
4. Students are responsible for providing their own brushes, paint trays, and cleanup materials.
5. Paint is provided by the school, and it is the only authorized paint that can be used.

Make your mark at Einstein - don't miss out on this fantastic opportunity to make your senior year even more memorable!

For more information and to submit your designs, please contact the front desk or submit any questions to askenstein@theeinsteinschool.com.

Senior Paint & Park Application

Student name: _____ Student phone number: _____

Vehicle license plate number: _____ Decal number: _____

Vehicle make/model: _____ Vehicle color: _____

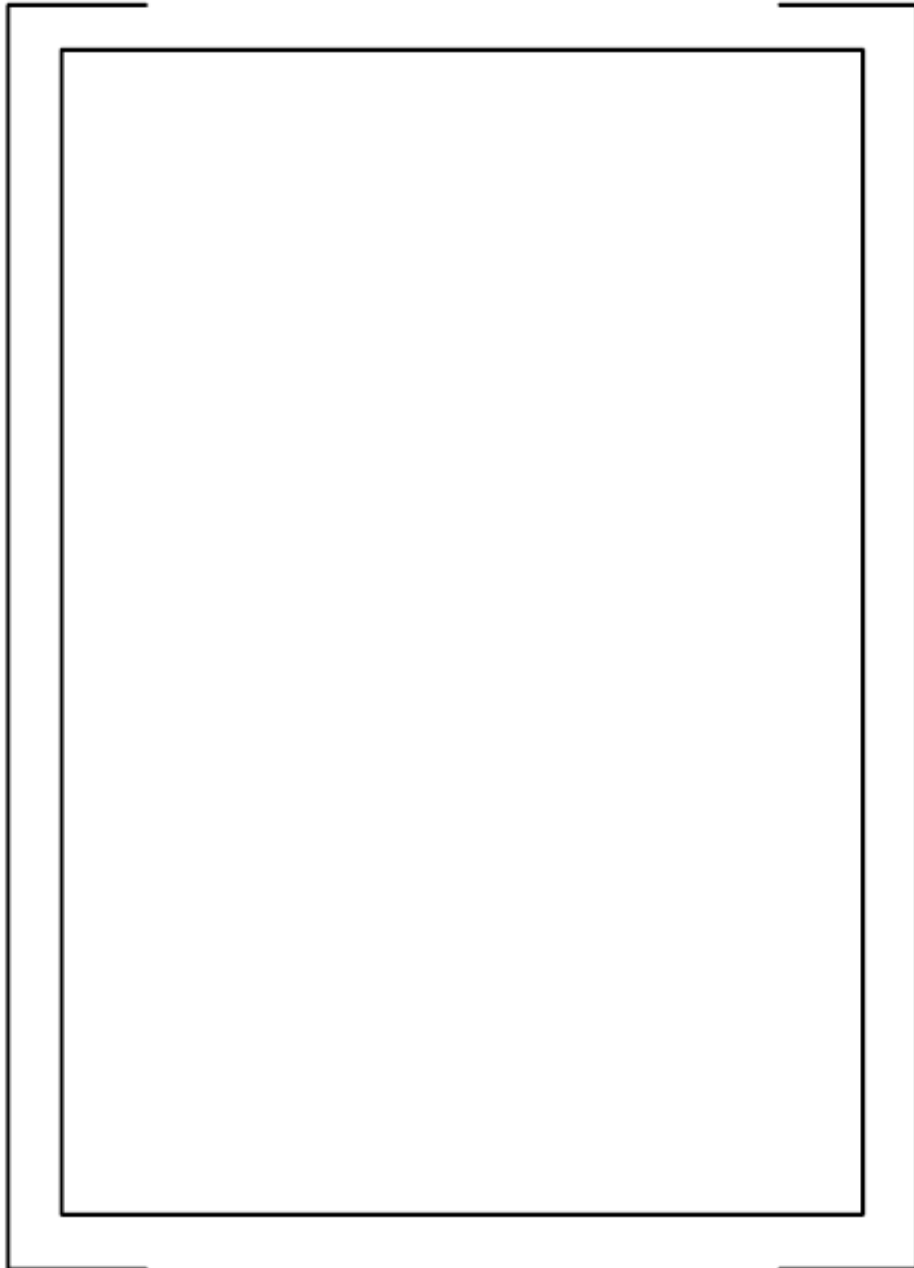

Parent name: _____ Parent phone number: _____

Parents, please provide your signature below to approve this student's application:

_____ Date: _____

Personalized Design Proposal

Please provide your complete design in color below. If your design is approved, your painted parking space must be an exact representation of this design. Your design and application will be kept on file, so we recommend making a copy of your design before submission to reference when painting your spot. You may use another sheet of paper or generate and print a computer sketch. When painting your design, you must leave 4 inches between your design and the white parking space lines.

Additional notes about your design (optional):
